Nivole is one of the most classic Moscato d'Asti that travel from Piedmont and goes around the globe.

MOSCATOD'ASTI VIGNAIOLI DI SANTO STEFANO

This is the most recognizable Moscato, thanks to the bottle that seems designed by NASA and ready for space.

The aromas are the classic ones of Moscato d'Asti: citrus, peach and sage.

On the palate it is fresh, sweet, very good.

Try it on the rocks with lemon peel and sage leaves! We loved it.
